Then press CTL-C to copy the data to your computer's memory.

Then go into the Site Link Demon spreadsheet.

Remember – There is no “Undo” option after clicking macro buttons, so be careful.

Press the “Paste” button.

The screenshot shows the Microsoft Excel interface with the 'Home' tab selected. The ribbon includes 'File', 'Home', 'Insert', 'Page Layout', 'Formulas', 'Data', 'Review', 'View', and 'Developer'. The 'Home' tab is active, showing options for 'Clipboard' (Paste, Cut, Copy, Format Painter), 'Font' (Arial Narrow, 10, Bold, Italic, Underline, Text Color, Background Color), 'Alignment' (Wrap Text, Merge & Center), and 'Numbers' (General, Currency, Percentage). The spreadsheet is open to cell B3. The spreadsheet content includes a header row with 'PAGE NAME' and 'PAGE LINKED TO'. A red demon head logo is in the top left, with the text 'Site Link Demon' and 'Let The Demon Find Your Links!'. Below the logo are buttons for 'Paste', 'Sort A B C', 'Re-Size Columns', and 'Clear Info.'. A green arrow points to the 'Paste' button.

At this point, you'll see your data, formatted for easy analysis!

Once I am in the analysis spreadsheet, my typical workflow is to:

1. press the “Re-Size Columns” button
2. press the “Sort A-Z” button above the Juice column

File Home Insert Page Layout Formulas Data Review View Developer

Cut Copy Paste Format Painter Clipboard Font Alignment Number Styles Cells Editing

General Conditional Formatting Format as Table Cell Styles Insert Delete Format AutoSum Fill Clear Sort & Filter

My workflow will instantly show all the links that cause link juice loss at the top of the spreadsheet.

Microsoft Excel interface showing a website analysis tool. The address bar displays `http://www.aweber.com/permission.htm`. The tool interface includes a header with a red demon logo and the text "Site Link Demon Let The Demon Find Your Links!". Below the header are several buttons: "Paste", "Re-Size Col's", "Clear Info.", and multiple "Sort A-Z" buttons. A green arrow points to the right side of the interface.
